Paul Arwood

It is better to dwell in a housetop, than with
a brawling woman in a wide house.

David Berry

Life is what you make it, so suffer.

Blane Bishop

Forget your own good deeds, but remember
those of others.

Michael Bishop

If a person has one true friend to stand
behind him, he has the power to conquer any-
thing.

Lettie Bledsoe

Be young, be happy, be anything in life you
want to be, but . . . be different.

Mitzi Bledsoe

Some flower children went to "POT"; now
they are blooming idiots.

Stanley Bledsoe

School is like a prison, once you're in there's no way out.

Johnny Bowen

But once when love is betrayed, its sweet life blooms no more.

David Carter

It's better to be a wide-awake ugly than a sleeping beauty.

Junior Carter

As one shepherd said to the other lets get the flock out of here.

Michael Carter

It's not what you accomplish, but how hard you try that counts.

Douglas Cobb

It's not the ups and downs of life that bothers me; it's the sudden stops.

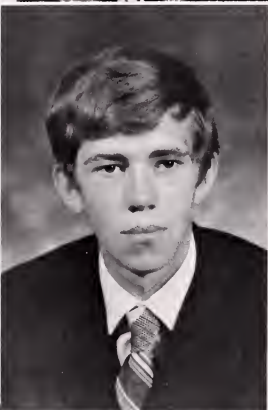

Larry Duncan

All great men are dead and I don't feel so well.

Sandy Edens

The past is only for remembering . . . not for living.

Jackie Edwards

All things come to those who wait, so why should I worry.

Lester Frazier

Which is best—good looks or good grades?

Dennis Fritz

For we came here with nothing we had earned; thus, it is to others that we owe.

Donna Gibson

Today is the tomorrow that we thought about yesterday.

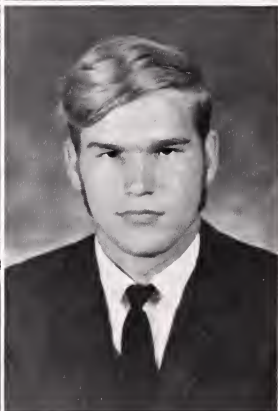

Richard Gilliam
Why let the devil have all the fun.

Scotty Good
Praise the Lord . . . and pass the ammunition.

Janice Griffin
I'm a lover not a fighter.

Lee Hass
How I made it, I don't know.

Mike Hass
Up to it, down to it, heck with the man that won't do it ought to be tied to it, ought to made to do, let me do it, I'm used to it.

Sharon Johnson
A perfect woman, nobly planned, to warm, comfort, and command.

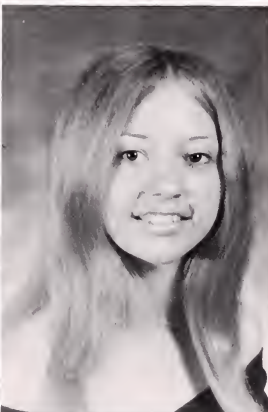

Debbie Jones

Fun is like insurance, the older you get the more it costs.

David Kindle

I might be small, but good things come in small packages.

Danny Lane

Why be difficult, when with a little more effort you can be impossible.

Patricia Kern

Cherish your happy moments; they make a fine cushion for old age.

Bruce McMillian

Just let me be MYSELF and my LIFE will be perfect.

Patty Moore

Friendship is just a little word; it's people who make it big.

Ginger Morrison

Life is a journey, not a destiny.

Dennis Mullins

I can't wait until tomorrow, because I get better looking every day.

Jamie Mullins

I can live without poetry, music, and walking; but who in the world can live without talking.

Steve Neeley

Don't put off until tomorrow what you can get by with tonight.

Betty Page

Precious and few are the moments we share.

Barbara Qualls

Life is a volume from youth to old age, each year forms a chapter, each day is a page.

Bobby Rhoton

All things come to an end sometime, so why should I worry about school.

Patsy Rhoton

I try to be myself. Who else is better qualified?

Rocky C. Rhoton

If life gives you a lemon, squeeze it and make yourself a lemonade.

Rocky L. Rhoton

My career is picking up speed—just like anything going down-hill!

Glenda Roach

The great essentials of life are something to do, someone to love, and something to hope for.

David Roberts

The wise man does no wrong in changing his habits with the times.

Jane Sawyer

We should think about the past enough to learn from it, think about the future enough to prepare for it, but live so as to get the most out of the present.

Johnny Shupe

A closed mouth catches no flies.

Gary Sloan

If you LOVE something that wants to leave, let it. If it comes back, it's yours!

Sue Smith

All dreams will come true to those who wait.

Farrell Stanley

It is quality rather than quantity that matters.

Bobby Starnes

The good die first so it looks like I'll be around for a while.

Madelyn Starnes

A few years ago I thought I knew all the answers; but now, I'm not even sure I understand the questions.

Tommy Starnes

I want only to be free.

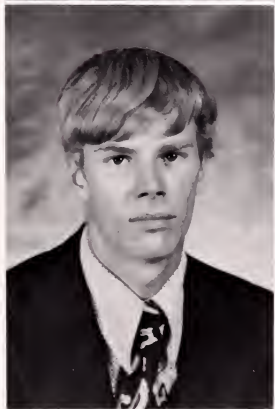

Judy Stewart

A joy that's shared is a joy made double.

Debbie Tomlinson

LOVE is the answer that everyone seeks—
LOVE is the language that everyone speaks.

Bobby Vaughn

A fool listens with an open mouth.

Sandra Wallen

Start out today with faith in your heart and
climb til your dream comes true!

Thomas Wallen

Be young, but don't be foolish.

Debbie Wells

What is a friend? A single soul dwelling in two bodies.

Diane Wells

The sadest thing in the world is to hear a person say, "It might have been."

James Williams

That that is, is. That that is not, is not. Is not that is?

Norman Winegar

A man has got to know his limitations.

Martha Wolfenbarger

History lesson

History is littered with the charred remains of books—testimony to the fear they engender in the closed mind . . . testimony to their power to inform, enlighten and inspire. Books have always played a major role in opening men's minds. They're *still* the basic educational tool.
